Welcome to your project platform
www.myeurekaproject.org
✓ It’s online
✓ It’s collaborative (you and your partners can together complete the application form)
✓ Create an account for your organisation and enter your own project costs
✓ Check the eligibility of your project
✓ Validate your application
  ✓ Please note: You cannot submit an application with incomplete sections, including mandatory annexes.
✓ It’s continuously being improved
  ✓ Some screenshots in this document may become obsolete, but the logic of the features will remain the same.

Create your account

The main partner in your project must register first. After that, the main partner will be able to invite additional organisations in the consortium, so that all can participate in completing the application form.
See which call for projects you are applying for.

Find your application ID number here.

You can check the progress of your application.

Invite your project partners here.
Inviting project partners

You can add a person to a participating organisation. Once you have sent the invitation, they will receive an email inviting them to register to the platform.
Inviting project partners

You can add a partner organisation to the consortium. Once you have sent the invitation, they will receive an email inviting them to register to the platform.
Answering a question

If you are not the main partner, once you have answered your question this will be re-assigned to the main partner for review.

Click here to assign this question to another project partner.

There are tips in the platform about how to answer questions.

Keep an eye on your word count.
Eligibility check

You can run an automatic computer check to check the eligibility of your project application.

Please note: The automatic check is designed only to provide support to applicants, it does not validate that your project application is eligible. Always doublecheck by other means as well that your project complies with the eligibility criteria (e.g., through manual calculations).
Each organisation in your consortium must upload a commitment and signature form.

SMEs in your consortium must also upload an SME declaration.
Create a work package

Only the main partner can add a work package. Once added, the work package can be assigned to another project partner.

Please note: All partners must insert their individual costs for every work package.
Insert your project costs

All partners must insert their individual project costs in each work package.
